Developer:
Sport1 GmbH
Publisher:
Sport1 GmbH
Release Date: 30 May, 2014

English,German

This quiz is very exciting, informative! You can learn a lot of facts from the history of football. Besides you can play alone or with friends.. Crap game. Way too few questions. Not even worth the 2 bucks I've paid for it.. Unfortunately, I can't recommend the game since there is nobody to play against online.. This quiz is very exciting, informative!
